SUMMARY

Frontend developer and 4th-year Information Science student skilled in building responsive, multi-page websites using Next.js and TypeScript. Experienced in component-based UI development, clean page layouts, and deploying websites on Netlify. Actively practicing DSA and seeking a frontend internship to apply and grow my skills in a real-world environment.

TECHNICAL SKILLS

Languages: JavaScript (ES6+), TypeScript, HTML5, CSS3

Frameworks & Libraries: Next.js, React.js

CS Fundamentals: Data Structures & Algorithms, Object-Oriented Programming

Tools & Platforms: Git, GitHub, Netlify, VS Code

Concepts: Component-Based Architecture, Responsive Design, File-Based Routing, Version Control

PROJECTS

Portfolio Website | *Next.js, TypeScript*

[Live](#)

- Designed and developed a fully responsive personal portfolio website to showcase projects, technical skills, and contact information.
- Built reusable and type-safe UI components using Next.js and TypeScript following modern component-based architecture principles.
- Implemented responsive design techniques and deployed on Netlify with optimized performance using Next.js best practices.

Lorenta Technologies Website | *Next.js, TypeScript*

[Link](#)

- Recreated a professional company website layout to apply real-world UI patterns and navigation systems.
- Enforced strong typing with TypeScript while focusing on component-based architecture and clean code structure.
- Strengthened understanding of responsive design, mobile-first layouts, and scalable frontend architecture.

Agriculture College Demo Website | *Next.js, TypeScript*

[Link](#)

- Built a fully responsive multi-page website showcasing college courses, admissions, programs, and campus information.
- Architected reusable components using Next.js and TypeScript for a scalable and maintainable codebase.
- Implemented structured file-based routing, hero sections, and informational pages with clean UI design.
- Deployed on Netlify with optimized build output for fast load times and public accessibility.

EDUCATION

AIET (Mijar, Moodbidri)

2023 – Present

B.E. — Information Science & Engineering

CGPA: 7.5

- SGPA by Semester: 7.6, 7.0, 7.4, 7.9, 7.6

Shubhodaya PU College

2021 – 2023

PUC

66%

Shubhodaya English School

2020 – 2021

SSLC

81%

CERTIFICATIONS

- Web Development Using Tools** — Next.js, TypeScript, React.js
- Introduction to Programming Using HTML and CSS**
- Full-Stack Development** — Coursera Professional Certificate | [View Certificate](#)

ACHIEVEMENTS

- Completed Coursera Full-Stack Development Professional Certificate
- Built and deployed 3 projects using Next.js and TypeScript on Netlify
- Regular DSA practice; active GitHub profile with multiple projects

LANGUAGES

English Kannada Hindi
